LOST IN LOVE

WEDDING CELEBRATIONS

As Unique As You Are....

Here at LOST, we like to do things differently - that's why we have parked the packages and are shunning the 'one size fits all' approach to wedding planning in favour of individually curated celebrations that are all about you!

We understand that every couple is different and you all have your own vision on how you would like your wedding day to unfold. We love quirky and celebrate individuality but we also treasure traditional touches- so whatever you have in mind we can plan a day to suit you and all your lovely guests!

PREPARE TO GET 'LOST IN LOVE'

Housed in a beautiful old barn structure in a magical courtyard close to Claremont Farm on Wirral, our stunning stone walls, beautiful beamed ceilings, wrap around balcony and cool bar area provide the perfect back drop for any celebration. Intimate, yet with capacity for up to 120 guests, our flexible space can be adapted to suit the vibe of your celebration. Refurbished this year, the interior also benefits from every contemporary touch including a superb sound system and stunning cocktail bar.
